

CHAMBER OF COMMERCE AND INDUSTRY INC.

five at 5 PM

The Peel Chamber is holding a series of 'Five at 5' events for businesses to hear from a range of professionals in their field with five key tips to take away and implement straight away.

Public speaking is one of the most important business skills you can learn. You'll need it to speak at networking groups, to train your team, give an engaging elevator speech or accept an award. Pauline Bright wasn't born a public speaker – she purposely learnt how to do it; studied and practiced until she became very comfortable with it. Pauline's practical tips and tricks for speaking in public will help you overcome your nerves to speak confidently with passion and purpose to engage your audience.

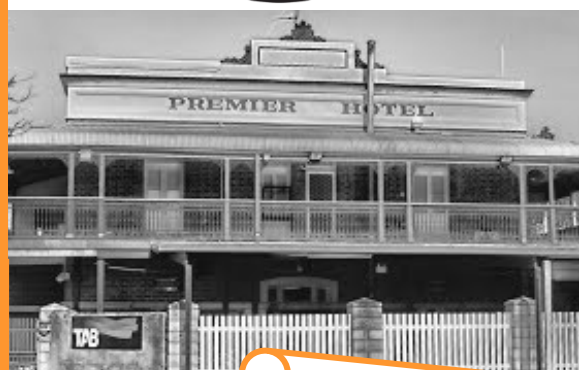

Enjoy the country charm of the Premier Hotel located on the banks of the picturesque Murray River while networking with Peel region businesses. Whet your appetite with some tasty food and quench your thirst from a great selection of cold drinks. Cash bar facilities will be available throughout the evening.

DATE: Wednesday 11 April 2018
TIME: 5:00pm - 7:30pm
WHERE: Premier Hotel
1 Williams Road, Pinjarra
